

February Announcements

Priority Registration: If you register during the spring priority registration period February 8- February 21, you are guaranteed a spot in the class in which you are currently enrolled. * To register online you will need the access code MTCS10 in order to pre register. Please register during the time allocated for priority registration if you plan to remain in the class in which you are currently enrolled. Those desiring to change classes may do so during this time, and will be notified of availability once priority registration has ended. Open registration will begin on February 22 at which time registrations will be accepted on first-come, first-serve basis. We hope you will join us for the Tambourine Collection!

***Spring Special:** All families who enroll during our priority registration period will receive a free MT Band DVD! You'll have a chance to see all of the folks that you've been listening to on your CDs! (paid registrations only)

Adult Guitar Classes are being offered beginning February 17 through the Chesapeake Music & Movement Center. Classes will be held at our Annapolis location, The United Church of Christ of Annapolis. Please contact Jeanne Calderon at jcalderon@mtchesapeake.com for more information. No prior experience is necessary.

Winter weather: We do follow AACPS concerning school closings for weather. If schools are delayed however, we meet as scheduled. Should classes be canceled, the website will have a notice on the home page by 8 AM the day of class. Regarding our Saturday classes, if the schools cancel their weekend activities for the day, we will not hold classes.

Brochure Distribution: While we do advertise to help our program grow, the majority of our registrations come from word of mouth. If you would like to get the news out to your group or association, we would be happy to provide you with brochures to distribute. As a token of our gratitude we have a list of instruments from which you may select a thank you gift!

Happy Valentine's Day!
